

Rules:

Spin the dial and move the number of spaces the arrow lands on.

When you land on a picture, you have to:

Children & MLS:

As children land on spaces, with pictures, the teacher can optionally describe the part of the lesson to the children again.

High Signers:

Follow the instructions on the square you would land on. If you land on a picture, tell one of the Ten Commandments. If you can't tell one of the Ten Commandments, stay on that square. If you can tell one of the Ten Commandments, move one more space ahead and follow the instructions on that square.
